CHAPTER 107.

An Act concerning the Registration and Numbering of Automobiles and Motor Vehicles.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

SECTION 1. No automobile or motor vehicle shall be used or operated upon the public highways of this state after July 1, 1903, unless the owner thereof has complied with the requirements of sections two, four, and five of this act.

SEC. 2. The owner of every automobile or motor vehicle shall file in the office of the secretary of the state a statement of his name and address, together with a brief description of every such vehicle owned by him, on a blank furnished by the said secretary for the purpose, and shall obtain from said secretary a numbered certificate for each of such vehicles, which certificate shall state the name of the owner of such vehicle and that he has registered in accordance with the provisions of this act.

SEC. 3. The secretary of the state shall keep a record of all such statements and of all certificates issued by him, which record shall be open to the inspection of any interested party at all reasonable times.

SEC. 4. Every such automobile or motor vehicle shall have the initial letter of this state and the number of the certificate issued for such vehicle displayed upon the back thereof in a conspicuous place and manner, the letter and figures of such name and number respectively to be at least three inches high.

SEC. 5. A fee of one dollar shall be paid to the secretary of the state for each certificate issued by him in accordance with the provisions of section two of this act.

SEC. 6. No license, permit, or registration shall be required of the owner or operator of any automobile or motor vehicle as a condition of operating such vehicle, except in accordance with the provisions of this act, nor shall any such vehicle be required to be marked in any way except in accordance with the provisions of this act. But nothing in this section contained shall apply to such automobiles or motor vehicles as are offered to the general public for hire.

SEC. 7. The provisions of sections one, two, four, and five of this act shall not apply to such automobiles or motor vehicles as are owned by manufacturers of or dealers in such vehicles and are not employed in the private business or for the private use of such manufacturers or dealers.

SEC. 8. CHAPTER 108.

An Act Regulating the Speed of Motor Vehicles.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 2089 of the general statutes is hereby amended to read as follows: No motor vehicle shall be run on any highway or public place at a rate of speed dangerous to life and property, or on any highway or public place outside the limits of a city or borough at a rate of speed to exceed fifteen miles an hour, or on any highway or public place within the limits of any city or borough at a rate of speed to exceed twelve miles an hour. Upon approaching a crossing of intersecting streets or roads, the person having charge of the power of such vehicle shall have such vehicle under control, and shall reduce the speed of such vehicle until said crossing of such street or road shall have been passed. Upon meeting or passing any vehicle drawn by a horse, the person having charge of the power of such motor vehicle shall reduce its speed, and if the horse drawing said

vehicle appears to be frightened, the person in charge of said motor vehicle shall cause said motor vehicle to come to a stop. Wherever the term "motor vehicle" is used in this section, it shall include all vehicles propelled by any power other than muscular, excepting the cars of electric and steam railways and other motor vehicles running only upon rails or tracks. No city, town, or borough shall have any power to make any ordinance, by-law, or resolution respecting the speed of motor vehicles, and no ordinance, by-law, or resolution heretofore or hereafter made by any city, town, or borough in respect to motor vehicles shall have any force or effect; provided, however, that powers heretofore given to any city or borough to regulate shows, processions, assemblages, or parades in streets and public places, and to regulate the use of public parks, and all ordinances, by-laws, and regulations which may have been or which may be enacted in pursuance of said powers, shall remain in full force and effect. The mayor of any city, the selectmen of any town, or the warden of any borough, may, upon any special occasion, or whenever in their judgment it may be deemed advisable, grant permits to any person or persons or to the public to run such motor vehicles, during a specified time or until such permit is revoked, upon specified portions of the public ways or highways of such city, town, or borough at any rate of speed, and may annex such other reasonable conditions to such permits as they may deem proper. Any person violating any of the provisions of this section shall be fined not more than two hundred dollars, or imprisoned not more than thirty days, or both.

CHAPTER 107.

An Act concerning the Registration and Numbering of Automobiles and Motor Vehicles.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

SECTION 1. No automobile or motor vehicle shall be used or operated upon the public highways of this state after July 1, 1903, unless the owner thereof has complied with the requirements of sections two, four, and five of this act.

SEC. 2. The owner of every automobile or motor vehicle shall file in the office of the secretary of the state a statement of his name and address, together with a brief description of every such vehicle owned by him, on a blank furnished by the said secretary for the purpose, and shall obtain from said secretary a numbered certificate for each of such vehicles, which certificate shall state the name of the owner of such vehicle and that he has registered in accordance with the provisions of this act.

SEC. 3. The secretary of the state shall keep a record of all such statements and of all certificates issued by him, which record shall be open to the inspection of any interested party at all reasonable times.

SEC. 4. Every such automobile or motor vehicle shall have the initial letter of this state and the number of the certificate issued for such vehicle displayed upon the back thereof in a conspicuous place and manner, the letter and figures of such name and number respectively to be at least three inches high.

SEC. 5. A fee of one dollar shall be paid to the secretary of the state for each certificate issued by him in accordance with the provisions of section two of this act.

SEC. 6. No license, permit, or registration shall be required of the owner or operator of any automobile or motor vehicle as a condition of operating such vehicle, except in accordance with the provisions of this act, nor shall any such vehicle be required to be marked in any way except in accordance with the provisions of this act. But nothing in this section contained shall apply to such automobiles or motor vehicles as are offered to the general public for hire.

SEC. 7. The provisions of sections one, two, four, and five of this act shall not apply to such automobiles or motor vehicles as are owned by manufacturers of or dealers in such vehicles and are not employed in the private business or for the private use of such manufacturers or dealers.

SEC. 8. The provisions of this act shall not apply to automobiles or motor vehicles or to the owners thereof; provided, that such owners shall have complied with the law of any other state or territory of the United States which shall have in effect a law similar in all respects to sections one, two, three, four, six, seven, and eight of this act, except that in such event such owners shall display the initial letter of such state or territory in place of the initial letter of this state.

CHAPTER 108.

An Act Regulating the Speed of Motor Vehicles.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 2089 of the general statutes is hereby amended to read as follows: No motor vehicle shall be run on any highway or public place at a rate of speed dangerous to life and property, or on any highway or public place outside the limits of a city or borough at a rate of speed to exceed fifteen miles an hour, or on any highway or public place within the limits of any city or borough at a rate of speed to exceed twelve miles an hour. Upon approaching a crossing of intersecting streets or roads, the person having charge of the power of such vehicle shall have such vehicle under control, and shall reduce the speed of such vehicle until said crossing of such street or road shall have been passed. Upon meeting or passing any vehicle drawn by a horse, the person having charge of the power of such motor vehicle shall reduce its speed, and if the horse drawing said

vehicle appears to be frightened, the person in charge of said motor vehicle shall cause said motor vehicle to come to a stop. Wherever the term "motor vehicle" is used in this section, it shall include all vehicles propelled by any power other than muscular, excepting the cars of electric and steam railways and other motor vehicles running only upon rails or tracks. No city, town, or borough shall have any power to make any ordinance, by-law, or resolution respecting the speed of motor vehicles, and no ordinance, by-law, or resolution heretofore or hereafter made by any city, town, or borough in respect to motor vehicles shall have any force or effect; provided, however, that powers heretofore given to any city or borough to regulate shows, processions, assemblages, or parades in streets and public places, and to regulate the use of public parks, and all ordinances, by-laws, and regulations which may have been or which may be enacted in pursuance of said powers, shall remain in full force and effect. The mayor of any city, the selectmen of any town, or the warden of any borough, may, upon any special occasion, or whenever in their judgment it may be deemed advisable, grant permits to any person or persons or to the public to run such motor vehicles, during a specified time or until such permit is revoked, upon specified portions of the public ways or highways of such city, town, or borough at any rate of speed, and may annex such other reasonable conditions to such permits as they may deem proper. Any person violating any of the provisions of this section shall be fined not more than two hundred dollars, or imprisoned not more than thirty days, or both.

CHAPTER 107.

An Act concerning the Registration and Numbering of Automobiles and Motor Vehicles.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

SECTION 1. No automobile or motor vehicle shall be used or operated upon the public highways of this state after July 1, 1903, unless the owner thereof has complied with the requirements of sections two, four, and five of this act.

SEC. 2. The owner of every automobile or motor vehicle shall file in the office of the secretary of the state a statement of his name and address, together with a brief description of every such vehicle owned by him, on a blank furnished by the said secretary for the purpose, and shall obtain from said secretary a numbered certificate for each of such vehicles, which certificate shall state the name of the owner of such vehicle and that he has registered in accordance with the provisions of this act.

SEC. 3. The secretary of the state shall keep a record of all such statements and of all certificates issued by him, which record shall be open to the inspection of any interested party at all reasonable times.

SEC. 4. Every such automobile or motor vehicle shall have the initial letter of this state and the number of the certificate issued for such vehicle displayed upon the back thereof in a conspicuous place and manner, the letter and figures of such name and number respectively to be at least three inches high.

SEC. 5. A fee of one dollar shall be paid to the secretary of the state for each certificate issued by him in accordance with the provisions of section two of this act.

SEC. 6. No license, permit, or registration shall be required of the owner or operator of any automobile or motor vehicle as a condition of operating such vehicle, except in accordance with the provisions of this act, nor shall any such vehicle be required to be marked in any way except in accordance with the provisions of this act. But nothing in this section contained shall apply to such automobiles or motor vehicles as are offered to the general public for hire.

SEC. 7. The provisions of sections one, two, four, and five of this act shall not apply to such automobiles or motor vehicles as are owned by manufacturers of or dealers in such vehicles and are not employed in the private business or for the private use of such manufacturers or dealers.

SEC. 8. The provisions of this act shall not apply to automobiles or motor vehicles or to the owners thereof; provided, that such owners shall have complied with the law of any other state or territory of the United States which shall have in effect a law similar in all respects to sections one, two, three, four, six, seven, and eight of this act, except that in such event such owners shall display the initial letter of such state or territory in place of the initial letter of this state.

SEC. 9. The penalty for violating any of the provisions of this act shall not be less than five or more than twenty-five dollars.

SEC. 10. This act shall take effect from its passage.

Approved, May 15, 1903.

CHAPTER 108.

An Act Regulating the Speed of Motor Vehicles.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 2089 of the general statutes is hereby amended to read as follows: No motor vehicle shall be run on any highway or public place at a rate of speed dangerous to life and property, or on any highway or public place outside the limits of a city or borough at a rate of speed to exceed fifteen miles an hour, or on any highway or public place within the limits of any city or borough at a rate of speed to exceed twelve miles an hour. Upon approaching a crossing of intersecting streets or roads, the person having charge of the power of such vehicle shall have such vehicle under control, and shall reduce the speed of such vehicle until said crossing of such street or road shall have been passed. Upon meeting or passing any vehicle drawn by a horse, the person having charge of the power of such motor vehicle shall reduce its speed, and if the horse drawing said

vehicle appears to be frightened, the person in charge of said motor vehicle shall cause said motor vehicle to come to a stop. Wherever the term "motor vehicle" is used in this section, it shall include all vehicles propelled by any power other than muscular, excepting the cars of electric and steam railways and other motor vehicles running only upon rails or tracks. No city, town, or borough shall have any power to make any ordinance, by-law, or resolution respecting the speed of motor vehicles, and no ordinance, by-law, or resolution heretofore or hereafter made by any city, town, or borough in respect to motor vehicles shall have any force or effect; provided, however, that powers heretofore given to any city or borough to regulate shows, processions, assemblages, or parades in streets and public places, and to regulate the use of public parks, and all ordinances, by-laws, and regulations which may have been or which may be enacted in pursuance of said powers, shall remain in full force and effect. The mayor of any city, the selectmen of any town, or the warden of any borough, may, upon any special occasion, or whenever in their judgment it may be deemed advisable, grant permits to any person or persons or to the public to run such motor vehicles, during a specified time or until such permit is revoked, upon specified portions of the public ways or highways of such city, town, or borough at any rate of speed, and may annex such other reasonable conditions to such permits as they may deem proper. Any person violating any of the provisions of this section shall be fined not more than two hundred dollars, or imprisoned not more than thirty days, or both.

Approved, May 15, 1903.

SECTION 2063. All rubber-tired vehicles while in use in the public streets and highways shall show, from one hour after sunset until one hour before sunrise, a light or lights so placed as to be seen from the front, except that no lights shall be required on such vehicles between the hours of five o'clock in the morning and seven o'clock in the evening. Such light or lights shall be of sufficient illuminating power to be visible at a distance of two hundred feet. Any person driving or directing any such vehicle upon a public street or highway between the hours aforesaid, without a light, as hereinbefore prescribed, shall be fined not more than five dollars. The court before which the

accused is tried may suspend judgment or remit the penalty provided herein whenever in its judgment the circumstances will warrant such action. Any rider or driver of such vehicle whose light has become extinguished, and cannot be relighted, or who is necessarily absent from his home without a light, may proceed to his destination, *provided* he travels at a pace not exceeding six miles an hour, and gives an audible signal as often as five hundred feet are passed over.

SPECIAL FEATURES OF THE NEW AUTOMOBILE LAW.

The owner, not the machine, is registered, and retains his registration number under all circumstances. Every machine used by him must bear this number.

Every Connecticut automobile owner must register in his own state, and every machine must carry two markers displayed in a conspicuous place and manner, one in the rear, securely fastened so as not to swing, the other in front, also securely fastened.

No markers are legal, except those furnished by the Secretary of this State, as by law provided. Any attempt at evasion of this provision renders the offender liable to a fine of fifty dollars.

Officers of the law should be thoroughly familiar with this statute, and see to it that all its provisions are fully complied with.

THEODORE BODENWEIN,
Secretary.

GENERAL ASSEMBLY,

JANUARY SESSION, 1905.

[SUBSTITUTE FOR HOUSE BILL NO. 60.]

CHAPTER 230.

AN ACT

Concerning the Registration, Numbering, Use, and Speed of Motor Vehicles.

*Be it enacted by the Senate and House of Representatives in
General Assembly convened:*

SECTION 1. Whenever the term "motor vehicle" is used in this act, except when otherwise expressly provided, it shall include all vehicles propelled by any power other than muscular, except road rollers, fire engines, police patrol wagons, ambulances, and such vehicles as run only upon rails or tracks.

SEC. 2. Every owner of one or more motor vehicles shall file in the office of the secretary of the state a statement of his name, residence, and post office address, on a blank furnished by the said secretary for that purpose, and shall obtain from the said secretary a numbered certificate, which certificate shall state the name of such owner and that he has registered in accordance with the provisions of this act.

SEC. 3. Every such motor vehicle, except motor bicycles, shall, at all times while being used or operated upon the public highways of this state, have displayed in a conspicuous place and manner, securely fastened so as not to swing, upon both the front and rear of such vehicle, a plate or marker, which shall be obtained from the said secretary as hereinafter provided, and which shall bear the initial letter of this state and the number of the certificate issued to the owner of such motor vehicle, the letter and figures thereon to be four inches high and each stroke thereof to be one-half inch wide, and at all times unobscured.

[Sec. 3, amended by chapter 282, following.]

SEC. 4. Every motor bicycle shall, at all times while being used or operated upon the public highways of this state, have displayed thereon the initial letter of this state and the number of the certificate issued to the owner of such motor bicycle, such letter and figures to be at least one inch high and either painted on such motor bicycle or displayed on a plate or marker securely fastened thereto.

SEC. 5. The said secretary of the state shall keep a record of all statements filed with him, and of all certificates issued by him, which record shall be open to public inspection; he shall furnish from time to time, at cost price, to any person registered under the provisions of this act, as many plates or markers as may be required by such person for display upon the one or more motor vehicles, except motor bicycles, owned by him at the time of such registration, or thereafter acquired, the number on such plates or markers to be the same in every case as the number of the certificate originally issued to such person under the provisions of this act; and in the event that any certificate issued by the said secretary under the provisions of this act shall be lost or destroyed, he shall issue to the person whose certificate has been thus lost or destroyed a duplicate thereof, bearing the same number as the certificate originally issued to such person.

SEC. 6. A fee of one dollar shall be paid to the said secretary of the state for each original or duplicate certificate issued by him in accordance with the provisions of this act.

SEC. 7. No license, permit, or registration shall be required of the owner or operator of any motor vehicle except in accordance with the provisions of this act, nor shall any such vehicle be required to be marked in any way except in accordance with the provisions of this act; but nothing in this section contained shall apply to such motor vehicles as are offered to the general public for hire.

SEC. 8. Any nonresident of this state who shall have complied with the laws of any other state or territory of the United States requiring the registration of owners of motor vehicles, or of motor vehicles, or of both, and the display of identification numbers on such motor vehicles, and who shall cause the identification numbers of such state or territory, in accordance with the laws thereof, together with the initial letter or letters of the state or territory issuing the same, to be displayed on his motor vehicles while used

or operated upon the public highways of this state, may use such highways, for a period not to exceed fifteen days in any one year, without complying with the provisions of the foregoing sections of this act; provided, however, that if any nonresident shall be convicted of violating any provision of section ten or section eleven of this act he shall thereafter be subject to and required to comply with all the provisions of sections two, three, four, five, six and seven of this act.

SEC. 9. No prosecution based upon sections two, three and four of this act shall be brought for any offense committed prior to August 1, 1905.

SEC. 10. No person shall operate a motor vehicle on the public highways of this state at a rate of speed greater than is reasonable and proper, having regard to the width, traffic, and use of the highway, or so as to endanger property or the life or limb of any person, or, in any event, within the limits of any city or borough at a greater rate of speed than one mile in five minutes, or outside the limits of any city or borough at a greater rate of speed than one mile in three minutes.

SEC. 11. Upon approaching any person walking in the traveled portion of any public highway, or a horse or any other draft animal being led, ridden, or driven therein, or a crossing of intersecting public highways, or a bridge, or a sharp turn or curve, or a steep descent, and also in passing such person, horse, or other draft animal, and in traversing such crossing, bridge, turn, curve, or descent, the person operating a motor vehicle shall have the same under control and shall reduce its speed. If such horse or other draft animal being so led, ridden, or driven shall appear to be frightened, or if the person in charge thereof shall signal so to do, the person operating such motor vehicle shall bring the same and the motor or other power propelling the same immediately to a stop and, if traveling in the opposite direction, shall remain stationary so long as may be reasonable to allow such horse or animal to pass, or, if traveling in the same direction, shall use reasonable caution in thereafter passing such horse or other animal.

SEC. 12. No city, town, or borough shall have any power to make any ordinance, by-law, or resolution respecting the speed of motor vehicles, and no ordinance, by-law, or resolution heretofore or hereafter made by any city, town, or borough in respect to

motor vehicles shall have any force or effect; provided, however, that powers given to any town, city, or borough to regulate shows, processions, assemblages, or parades in streets and public places, and to regulate the use of public parks, and all ordinances, by-laws, and regulations which may have been or which may be enacted in pursuance of said powers shall remain in full force and effect.

SEC. 13. In all complaints for the violation of any provision of this act the justice of the peace before whom the same shall be tried shall have jurisdiction and power to render judgment therein, and issue process of execution and mittimus thereon, where such fine or penalty imposed shall not exceed two hundred dollars, or imprisonment for thirty days, or both; but the defendant shall have the right of appeal as in other cases.

SEC. 14. Any person violating any provision of sections ten and eleven of this act shall be fined not more than two hundred dollars, or imprisoned not more than thirty days, or both, for a first offense, and shall be fined not more than five hundred dollars, or imprisoned not more than sixty days, or both, for any subsequent offense. Any person violating any other provision of this act shall be fined not more than fifty dollars.

SEC. 15. Chapters 107 and 108 of the public acts of 1903 and all other acts and parts of acts inconsistent herewith are hereby repealed.

SEC. 16. This act shall take effect July 15, 1905.
